

## **Jose Becerril**

CEO

MyAddo

Mr. Becerril is a leader in international trade and economic development, focused on strengthening global supply chains and advancing cross-border commerce. As CEO of MyAddo, he has built a compliance software that helps exporting manufacturers streamline their export processes and regulatory compliance into the US.

Previously, he managed Foreign Trade Zone 106 and supported ARPA programs at the Alliance for Economic Development, assisting thousands of SMEs across Oklahoma City. Committed to economic inclusion, he actively mentors Hispanic entrepreneurs and champions trade-driven growth to position Oklahoma as a hub for global manufacturing.
